PLEASE REVIEW THESE IMPORTANT DISCLOSURES.

Not all buyers or lessees will qualify for the lowest APR or Lease payment and may vary according to creditworthiness. Contact dealer to see if you qualify, to determine your actual price, APR, and monthly payment. Dealer participation may affect savings; residency and other mileage restrictions may apply.

The estimates provided are for informational purposes only and are not an advertisement of actual programs offered. Each estimate is based on the variables you have entered, on the Manufacturer's Suggested Retail Price for the vehicle you have selected and on the available finance programs.

All estimates are provided in U.S. dollars and are computed on the basis of a 10% downpayment. The estimates may not include the cost of transportation and handling charges, taxes, title/documentary fees, registration, tags, dealer prep, labor and installation charges, insurance, optional equipment and accessories, certificate of compliance or non-compliance fees, or finance charges. Actual prices may vary by dealer. Lease estimates may not include any additional amount due at delivery, first payment or security deposit.

The incentives listed on this site were correct at the time of posting. Your local dealer is the best source for up-to-date incentive information. See dealer for qualifications and eligibility. Residency restrictions apply.

Lease Loyalty eligibility: Consumers returning from a lease on a Chrysler Group LLC vehicle (Chrysler, Plymouth, Dodge or Jeep) and entering into a lease on an eligible model qualify for this incentive.

The MSRP* is an estimate and is based upon the vehicle being registered in the state in which you reside. The incentives are based on programs currently in effect for your ZIP code and requires the purchaser/lessee to reside in that ZIP code area and the vehicle be registered in the state in which you reside. Both the MSRP* and the incentives reflect the choices you made in equipping your vehicle. Cash allowance may be in lieu of special finance offers. Base MSRP* excludes tax. See your dealer for the latest information.

All product illustrations and specifications are based upon current information at the time this specification sheet was printed. Although descriptions are believed correct, complete accuracy cannot be guaranteed. Chrysler Group LLC Corporation reserves the right to make changes at any time, without notice or obligation, in prices, incentive programs, specifications, equipment, colors, materials, and to change or discontinue models. The Standard Equipment list highlights selected items -- see a catalog or your dealer for full details.

Proprietary Specification notice

The Westford Police Department has transitioned to the Dodge Charger as our primary police vehicle. Significant cost has been Invested to make this transition. Vehicle up fitting involves the Purchase of vehicle specific equipment, in house inventory of Service parts, and a building of a knowledge base that would make Changing to an alternate manufacturer cost prohibitive.

Fleet uniformity is also desirable for police service.
